

"Red Bud Industries has been an integral part of our growth."

[Dennis Szymanski | Vice President | Ratner Steel]

**Red Bud**

**World Class Customer Service**

**Ratner Steel Supply Company** is an industry leader in providing the highest quality of both steel and customer service. With precise attention to detail, they ship over 500,000 tons of steel each year throughout the United States and Canada.

Since 1986, Ratner Steel has been a leading supplier to fabricators, OEMs, and regional service centers. With three locations in the United States, located in Roseville, MN; Portage, IN; and Osceola, AR, their state-of-the-art Stretcher Leveling and Cut-To-Length Equipment is able to supply customers with exactly what they need, where and when they need it.

"We bought our first Red Bud Industries Stretcher Leveler in 2008. Since then, we have installed two Stretcher Levelers in Portage, IN, and one in Osceola, AR. Our latest addition produces flat, stress free material up to 0.625" thick by 76" wide."
